Introduction

There are many books on Nakshatras or lunar mansions of the Moon available in the market. Most of these books contain voluminous and theoretical details on Nakshatras including Nakshatra deities, symbols, tattvas, desires and body parts represented by each nakshatra. These books provide a good solid background about nakshatras but do not explain the reader how to utilize this knowledge. At the most, these books will describe characteristics of the native based on their Nakshatra (in most cases taken as Nakshatra occupied by Moon). They ignore the Nakshatra occupied by other planets.

In this book we intent to cover predictive techniques based on each Nakshatra. As is evident from the name, we will be covering techniques of prediction using nakshatras. These techniques were first revealed by Saptarishis Astrology through Saptarishis Facebook groups which include:

- Saptarishis Astrology Research Group
- Saptarishis Astrology Fan page
- Saptarishis Astrology Personal Facebook Page
- 1st Batch Predictive Nakshatra– Russian Group
- Saptarishis Astrology European Research Group

Readers who are connected with Saptarishis astrology groups were asked to test these techniques and post the examples. Readers from different parts of the world contributed various examples for these techniques. This book is the outcome of this research. Unlike other books in the market, we have also included examples where the technique is not working.

We acknowledge contribution of people who have contributed to this research and express our gratitude towards them. We have modified original posts from contributors to eliminate any typos, short-forms and grammatical mistakes.

Due to the size restriction, this book is divided into 3 parts (each containing techniques related to nine nakshatras). This part contains first nine nakshatras - from Ashwini to Ashlesha. Each part is self-contained and can be read without reference to other parts.

After reading one or more techniques, many educated readers may test a particular technique on a few charts and may find that the technique is not working. However, it should be kept in mind that these are *yogas* (combinations) and other factors in the rashi chart should support these *yogas* or these techniques may be applicable in specific divisional charts.

Most of the work for this book was completed by able hands of Nidhi Sharma Raj and Vidhan Pandya. They have compiled the data, created charts and added explanation for each example included in this book.

Most of the charts used in this book are created using Jagannatha Hora (also known as JHora) versions 8.0 and Saptarishi Astrology's proprietary software (charts without proper birth details). All charts are created using Traditional Lahiri Ayanamsa. LMT is used wherever applicable.

Source of birth details – for celebrity charts, birth details and facts are taken from Astro.com (Astro Databank). We have also used facts available on Wikipedia.org for public figures. We have also included lot of personal charts which were shared by followers/readers of Saptarishis astrology Facebook groups. We have listed down the Facebook name of all contributors (as it appears on Facebook).

For the benefit of the readers, we have included 2 appendices in this book. Appendix 1 – Relatives in Astrology, provides list of relatives which can be seen from a person's chart. Appendix 2 – Quick Reference which is a listing of all techniques, it also includes corresponding Nakshatra Study number for these techniques. Reader should be able to map each of these

techniques to a Nakshatra Study as posted on Saptarishis Facebook groups/pages. Appendix 3 has been created as a ready reckoner which can be torn and kept in ones bag and studied so as to rote memorize these techniques.

We sincerely hope and pray that the readers will benefit from these techniques. Readers can share their comments/feedback at admin@saptarishisastrology.com.

We would like to say a special thanks to our facebook contributor Shri Shailesh Dupare who stunned all on our facebook group for testing each and every technique on minimum 10 charts and posting the results, only some of his charts are included in this book due to paucity of space.

Note 2: We have used L for lord and H for house in some places.

- If one has 5th lord or 7th lord in Ashwini nakshatra, it can have a love interest or affair while travelling or during a transport.
- 8th lord of sex and past life is in Ashwini in the 12th house and she can have a deep sexual cum love affair during her travels to another country.
- Mars in Ashwini can mean travelling to different places in search of land or properties (buying and selling).
- Sun in Ashwini can mean Father has a traveling job like a salesman.
- Mercury the karaka of communication is in Ashwini, it means some form of movement in communication or ever changing.

Incidentally *Mark Zuckerberg* as Mercury the Lagna Lord and 4th lord of fortune in Ashwini with Venus in the 11th house of gains wealth aspected by 9th lord of bhagya Saturn (blue) and Moon (white) 2nd lord in Ashwini

Event: Rape while travelling

"In early 1977, she moved back to Los Angeles from New York City where she had appeared in "Caesar and Cleopatra" with Rex Harrison. Driving to San Francisco to visit friends one weekend, she found herself running out of gas. It was about 3:00 AM without much chance of finding an open station, so when she saw a sign, she turned off the freeway to find an all-night station. While she was checking out the pumps, three men came out of the darkness, very drunk. They beat her and dragged her into the bushes where all three raped her for a nightmare hour, then took her money and left. In pain and raw, she drove off, found a truck stop and an emergency clinic. They cleaned up the wounds but she did not tell them about the rape. It was too ugly, too dirty, too brutal to remember."

Analysis:

- Saturn is the 7th & 8th lord.
- Saturn & Ketu are in Ashwini nakshatra, both are retrograde.
- As we know, Kidnapping and rape (forced sex) are seen from 8th house.

- Saturn is debilitated in Aries with Ketu; Mars aspects Saturn.
- She was traveling from NYC to SFO.
- Saturn & Rahu represents drunkards.
- The event took place at Shuttered Gas station – again Saturn (oil) & Rahu elements.
- The event took place during wee hours of morning – we know that Rahu & Saturn are strong in night time.
- Overall 4 malefics – Saturn, Ketu, Rahu & Mars are involved – hence a very karmic, traumatic event is seen.
- Also to be noted, Gulika¹ and Mandi are in 8H indicating promise of such event.

- Since it is in Ashwini nakshatra, traveling for Education is seen.

Example 5: Contributed by Shailesh Dupare, India

Observation: Martin Luther King as we know was an American clergyman and inspirational leader of the civil rights movement. He used to travel for work (Tours for civil rights). He had several extramarital affairs.

"In his 1986 book Bearing the Cross, David Garrow wrote about a number of extramarital affairs, including one woman King saw almost daily. According to Garrow, "that relationship ... increasingly became the emotional centerpiece of King's life, but it did not eliminate the incidental couplings ... of King's travels." He alleged that King explained his extramarital affairs as "a form of anxiety reduction". Garrow asserted that King's supposed promiscuity caused him "painful and at times overwhelming guilt"

https://en.wikipedia.org/wiki/Martin_Luther_King,_Jr.

Analysis:

- 12th house denotes sexual enjoyment out side wedlock as per Shambu Hora Prakasa.
- 12th lord Jupiter is in Ashwini nakshatra in lagna.
- Hence Extra-marital affairs/sex while traveling is seen as mentioned in Technique 1.

Our Comments: The native is only 24 years old and ideally we must test a technique on natives that are older and events have happened in their life.

TECHNIQUE 2

ANY PLANET WHICH ASPECTS ASHWINI NAKSHATRA (ALMOST NONE TAKE NAKSHATRA ASPECT BUT IN OUR HUMBLE AND LIMITED OPINION IT WORKS AND RAVANA SAMHITA ALSO MENTIONS IT) IS GIVING A LESSON TO MASTER.

This is a very subtle technique.

It is asking for SELF IMPROVEMENT

E.g. If Saturn is aspecting Ashwini nakshatra, it is asking for selflessness or discipline

Mars' aspect tells us to exercise, control our ego, anger, jealousy etc.

Moon's aspect tells us to be compassionate, tranquility, remain calm etc.

Venus' aspect tells us to enjoy luxuries of life but stay away from over indulgence etc.

Sun's aspect tells us to control our ego, lead others in right direction, etc.

Jupiter's aspect tells us to be religious but at same time respect other religion, faith, provide right guidance, etc.

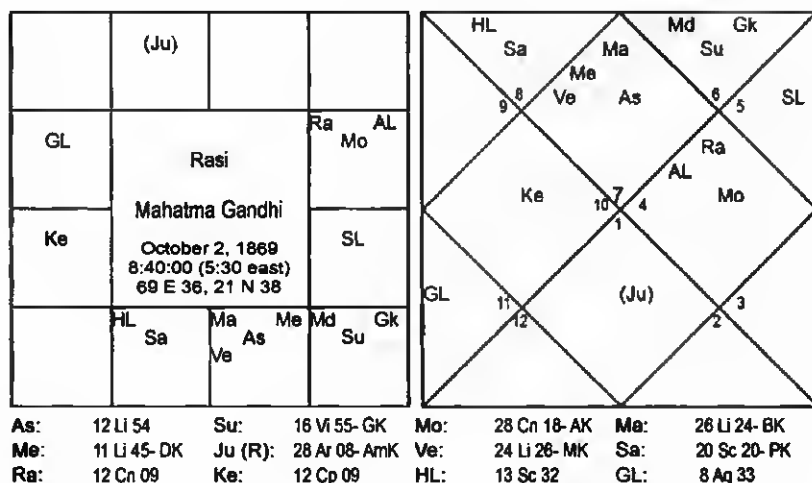

Mercury's aspect tells us to act wisely in the world, use intelligence, speech in right way, etc.

Pluto then it is asking for acceptance of the underworld and Transformation etc.

Neptune means to accept intuition and discipline addictions, etc.

Deeper understanding of Karakas of each planet will be helpful to understand this technique.

Example 1: Contributed by Shailesh Dupare, India

Note: Birth details used above were suggested by Shri KN Rao with a word of caution.

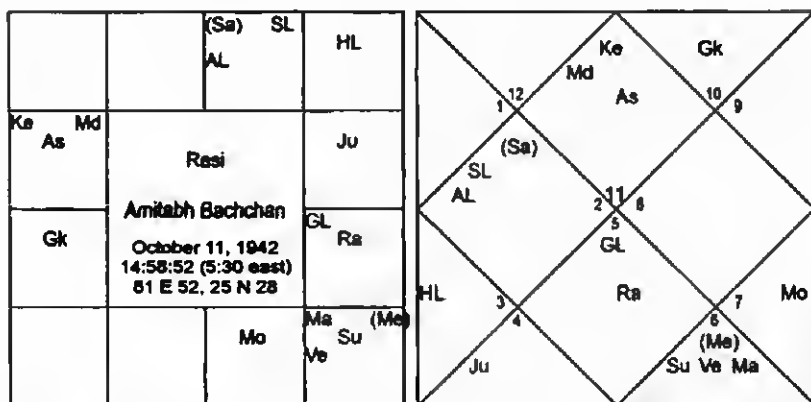

Observation: Personality traits of Mahatma Gandhi includes disciplined, selflessness, Idealist, strongly principled etc.

Analysis:

- Saturn in Jyeshtha aspects Ashwini.
- Here Sarvatobhadra² chakra aspects are taken into consideration (note – for more details readers are requested to refer Phaldeepika or Video of Saptarishis Astrology on YouTube).
- Saturn is giving lessons to master.
- Saturn traits are highlighted in his life.

Example 3: Contributed by Shailesh Dupare, India

Observation:

"Plagued by constant illness and forever scarred in his boyhood by an absentee father and a cold, remote mother, Kennedy emerged as a rogue who was by turns funny, raunchy and charming. His biographers paint a picture of a dysfunctional first family, the fabled Kennedys. He was raised to win, not to develop good moral character which most of his biographers find sadly lacking. His womanizing was so rampant and careless that the Secret Service had no control of the conquests who came in and out of the White House after-hours - or even during times when the risk of exposure was the greatest. Had he not ended his presidency prematurely, it was speculated that it would have been impossible to cover up Jack's peccadilloes any longer. Nonetheless, his charisma was such that the man was irresistible, in public and in private, and he remained as the prince of Camelot, a magical time.

Childhood: Abuse - Neglect (Cold mom, absent dad)"

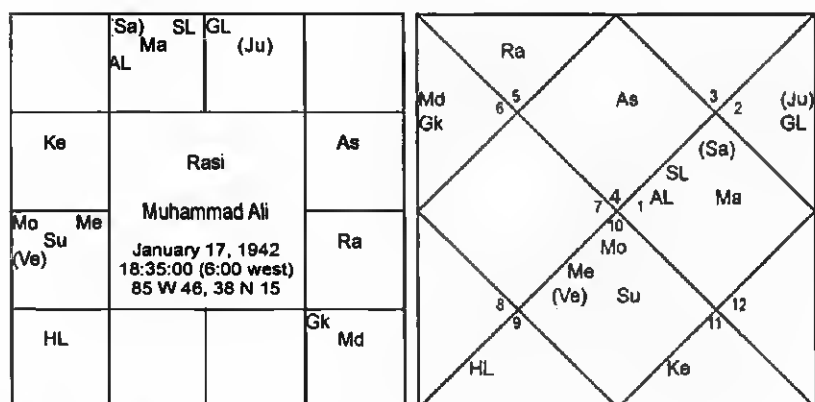

http://www.astro.com/astro-databank/Kennedy,_John_F

Analysis:

- Moon from Purva Phalguni and Sun from Rohini aspects Ashwini (Sarvatobhadra chakra aspects).

- He mastered the qualities of Sun which are leadership, greatness, ruling power, authority etc.
- He also known for his charm which is one of the qualities of Moon.

- Jupiter is the significator of religion. He converted to Islam hence accepted another religion.

TECHNIQUE 3

Her life was purportedly described, with adaptations to protect her anonymity, in 1973 in the book *Sybil*, subtitled *The True Story of a Woman Possessed by 16 Separate Personalities*, and two films of the same name were made in 1976 and 2007."

https://en.wikipedia.org/wiki/Shirley_Ardell_Mason

Shirley's Mother – schizophrenic (stated doctor diagnosed), she had a mental problem, which occurred after a major financial disaster in the family. This diagnosis was kept hidden from the neighbors. Her condition could not be kept hidden from neighbors because all the neighbors and townspeople marked "strangeness" of the woman.

The husband - had no money and the desire on her treatment, which affected the daughter - mother scoffed, brutally tortured and raped Shirley from early childhood, resulting in her to have multiple personalities.

TECHNIQUE 2

THIS IS BASED ON LORDSHIP OF HOUSES. IF LORD OF A PARTICULAR HOUSE IS SITUATED IN BHARANI NAKSHATRA IT WOULD INDICATE RELATIVE INDICATED BY HOUSE LORDSHIP WILL HAVE ABILITY TO KEEP SECRETS OR SOMETHING SECRETIVE ABOUT HIM/HER. OFTEN THE RELATIVE COULD HAVE A SECRET OR SEMI-SECRET ADDICTION.

THIS ONE IS VERY SUBTLE. THIS HAS TO BE INTERPRETED WITH CAUTION AND MATURITY AND AT THE SAME TIME WITH FLEXIBILITY. SOME EXAMPLES ON HOW TO UTILIZE THIS TECHNIQUE

- a) If the 3rd lord is in Bharani, the native might be into secret arts or would write/talk with lot of coding or hidden meanings or father in law could be having a secret affair or into some secret thing or father-in-law's own birth would be shrouded in some form of hidden or secrecy.
- b) If the 4th lord is in Bharani then, mothers family has a hidden past or the father's or the elder brother's keeps his job affairs secret (not revealing true income / status) or wife's sibling's spouse would never reveal his/her true salary/savings.

In the Technique we wrote “If the 4th lord is in Bharani then, mothers family has a hidden past or the father’s” which means something strange and mysterious about the relative

Observations: His mother, which he describes “being strange and mysterious, with two personalities, and had to live temporarily in a psychiatric hospital.” The nature of this at least seems secretive.

Analysis:

- Moon, the significator of Mother is in Bharani nakshatra.
- Moon is the dispositor of 8th lord Sun. As per Bhrigu Sutra, 8th house represents misery, misfortune, sorrow, worries. It is a house relating to secrets and mysterious things.
- Moons nakshatra lord Venus goes in the 6H of diseases with Mercury (mental) in Gemini.
- Moon is also conjunct Neptune which is karaka of illusions and addictions.

Example 8: Contributed by Nina Kildiy, Russia

Observation: Incase of this chart which is not very accurate (not to a minute), seems ascendant in Bharani. Given that the Lagna shows the circumstances of birth, something “hidden” is: when native started learning astrology, native desperately searched for a tag from the hospital, rummaged through the entire apartment but could not find it. After 2 years, she found it quite by accident, and in the place where she looked before. Birth tag/label clearly indicated the hour of birth, and it is impossible to make out the minute i.e. tag from the hospital is there but the time of birth is still hidden. And besides minutes everything on it is all written in large, legible text and in 36 years nothing faded. Native also adds that she is not the kind of person who likes to tell all the details of her life to friends and acquaintances, she considers herself quite hidden or closed.

Analysis:

- Ascendant is in Bharani.
- Exact time of birth is hidden (not known).
- The ascendant is being aspected by debilitated sun from the 7th house. Sun is the karka of soul and is

aspecting the lagna which is the entry point of the soul in the world.

- The technique works in this case.

Erickson has devoted his life to intellectual work, or dig deeper in the mind, proving unconscious by “deep sleep” - the introduction of a trance. Scorpio in the 12th house, shows the hidden things.

Analysis:

- Ketu is in Bharani nakshatra pada 2. Ketu is a karaka of hidden things, unconscious.
- Ketu is in 5th house.
- Mars - Dispositor of Ketu - is the lord of the 5th and 12th houses.

Example 10: Contributed by Nina Kildiy, Russia

Observation: Women in his life had tragic life & end.

"The women in Hitler's life had uniformly tragic fates. Geli Raubal, Hitler's 20-year-younger half-niece and romantic obsession, was found dead in her bed on 19 September 1931 with a bullet through her chest and Hitler's gun by her side, in the Berlin apartment that she shared with her uncle. "A mysterious darkness surround the death of this unusual beauty," the newspapers wrote. Whether the death was a murder or suicide has never been resolved."

"Hitler met 17-year-old Eva Braun when he was 40; she was working part-time in a photography shop. Braun became his mistress the following year in an "open secret," and remained loyal to him for 15 years from the glory days to the bitter end of Nazi Germany. She had no political interest or social conscience, but enjoyed her home, garden, dogs, movies and clothes. Braun wrote in her diary the observations that any light-minded young girl might make.

The dark side of her role apparently made its mark, as she attempted suicide twice, once on 1 November 1932 and once on 29 May 1935. When the Allies closed in during the last days, Braun joined Hitler in Berlin and followed him into death the following day."

Castaneda strongly hid his biography / consciously changed / erasing personal history, starting from the date of birth - the Moon (Chandra lagna) in Bharani. His prominent personality traits were Mystical, Solitary and Introvert (Reclusive, very private).

Analysis:

- Moon in Bharani nakshatra pada 2.
- Moon is being aspected by Saturn from the 9th house.
- Moon is the lord of the 6th house where Rahu is sitting.

Rahu itself signifies mysteries and in this case the natives personality traits are mystical.

BODY PART ASSOCIATED WITH BHARANI NAKSHATRA IS LOWER PART OF FEET.

TAKE ANY PLANET WHICH IS PLACED IN BHARANI NAKSHATRA. THE RELATIVE IT REPRESENTS CAN HAVE PROBLEMS WITH ANKLES OR LOWER PART OF FEET ESPECIALLY IF AFFLICTED. THIS HAS TO BE USED CREATIVELY AND NOT DOGMATICALLY.

READERS CAN GIVE BEAUTIFUL PREDICTIONS IF THEY COMBINE THIS TECHNIQUE WITH THE ACTIVATION THEORY WHICH WAS REVEALED BY SAPTARISHIS ASTROLOGY GROUP. BELOW ARE SOME EXAMPLES (FROM REAL LIFE OBSERVATIONS)

Ex 1 - A native has 4th lord in Bharani, his mother had an ankle accident on road decades back and it is still not healed.

Ex 2 - A male native has Ketu in Bharani and Ketu is 7th lord in 12 house of sex. When he cheated on his wife he had an accident on lower part of his feet within 4 months.

Ex 3 - A female native has Mercury, karaka of uncles as per some, in Bharani and her uncle had an accident in lower part of feet and still limps after 2 decades.

RELATIVE SIGNIFIED BY PLANET SITTING IN MRIGASHIRA, WILL HAVE A STRONG SENSE OF DIRECTION OR MAPS IF MRIGASHIRA IS NOT AFFLICTED. IF MRIGASHIRA IS AFFLICTED, THEY WILL ALWAYS GET LOST, OR WILL NOT BE ABLE TO REACH THE DESIRED PLACE ON TIME.

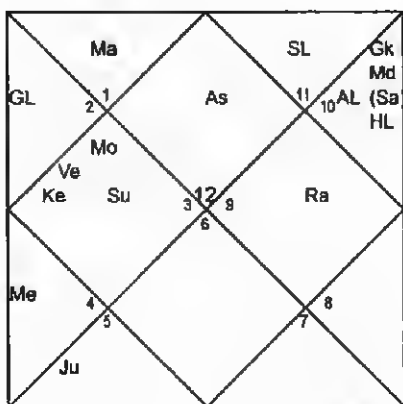

EXAMPLE - SUPPOSE 4TH LORD IS IN MRIGASHIRA, IT SIGNIFIES MOTHER OR HOME AND IT IS NOT AFFLICTED. IN THIS CASE MOTHER OF THE NATIVE WILL HAVE GREAT SENSE OF MAP/DIRECTION. THEY WILL BE ABLE TO PROVIDE PRECISE DIRECTIONS TO PLACES.

If Mrigashira is afflicted, the map of the house in registration papers (blue print) etc. may be flawed or wrongly depicted and/or Mother may not have a good sense of direction and may always get lost in transit.

- Sun is the 12th lord and natural significator (*sthir karaka*) of father.

TECHNIQUE 3

“STORMS” WHICH USUALLY IN HINDI MEANS “AANDHI (STRONG WINDS)” IS SO CLOSELY RELATED TO THE GANDHI FAMILY. INDIRA GANDHI HAD HER KETU IN THIS NAKSHATRA AND IN THE CHART OF RAHUL GANDHI MARS IS IN ARDRA NAKSHATRA. INDIANS MIGHT BE AWARE OF THE POLITICAL SLOGAN THAT WAS USED IN THEIR ELECTION CAMPAIGNS.

Sticking to the concept of “Storm”, I got curious and checked out some of the high-profile whistle blowers. Interestingly, Daniel Ellsberg, W. Mark Felt & Julian Assange had Jupiter, Venus & Sun respectively in Ardra Nakshatra and it was related to the 10th house or 10th lord or was having an aspect the 6th house (any planet in ardra nakshatra will aspect Aquarius).

TECHNIQUE 1

PUNARVASU

THE NATIVES WITH KEY PLANETS IN PUNARVASU HAVE A FASCINATION WITH TECHNOLOGY ESPECIALLY IF THEY HAVE RAHU IN PUNARVASU. THEY MAY ALSO BE INVOLVED WITH COMPUTER/ TECHNOLOGY RELATED FIELDS.

EXAMPLE – THEY BUY A NEW PHONE/LAPTOP, AFTER 6 MONTHS, THEY WOULD WANT TO EXCHANGE IT WITH LATEST AND GREATEST. EVEN IF THEIR REQUIREMENT IS MET WITH GADGETS WITH LOWER CONFIGURATION, THEY WILL WANT A HIGHER CONFIGURATION DUE TO THIS FASCINATION.

Example 1: Contributed by Inge Ojha

Observation: Rahu is in Punarvasu. Queen E. II 1953: For the first time ever, millions of Royal subjects got to watch the coronation of their new Queen live as it happened, thanks to Elizabeth's desire to use new television technology to reach out to her people. Though the event was broadcast in black-and-white, it was also recorded in an experimental 3D format, in both color and B/W. TV marketers rejoiced, as they sold a half-million television sets prior to the live broadcast.

1957: Queen Elizabeth II broadcasted her annual Christmas message on TV, the first British Royal to do such a thing. She commented on the fact that people could see as well as hear her message live from their own homes, noting it was "just another example of the speed at which things are changing all around us."

1976: QEII was the first British Monarch to send an email.

1997: Elizabeth unveiled her new website, another first for the monarchy, of course.

2006: The Queen goes multi-media, introducing Christmas-message-as-a-podcast, available via her website and also on iTunes.

2007: Elizabeth one-ups her podcasts by launching a new YouTube channel. Every Christmas message since has been posted here as a video.

2010: The Queen dives deeper into social media, establishing a presence on Facebook and Flickr. She added Instagram to her “multi-channel marketing” in 2011.

2012: 3D comes full circle for Queen Elizabeth. Having recorded her coronation in this format, she celebrated her 50th anniversary on the throne (no double-entendre intended) by giving a formal nod to technology, actually broadcasting in 3D. Her spokesperson said, “We wanted to do something a bit different and special in this jubilee year, so doing it for the first time in 3D seemed a good thing, technology-wise.

2014: The Queen is all a-Twitter, tweeting about a new exhibit at the London Science Museum. The subject of the exhibit was – what else? – The Information Age.

With her 63rd anniversary as Queen, Elizabeth II is now the longest-sitting Monarch in British history, surpassing even Victoria, who reigned for 62 years. While 400,000 subjects crowded into London to witness Victoria’s coronation, 27 million were able to experience Elizabeth’s on television. And while there was no way for Victoria to literally reach out to all her subjects around the world, Elizabeth can do that with a few quick clicks.

The Royal House may be something of an anachronism these days, but clearly that doesn’t preclude adopting and promoting the latest technologies.

Indian nationalist, diplomat and statesman, described as the second most powerful man in India by Time magazine and others, after his ally and intimate friend, Jawaharlal Nehru.

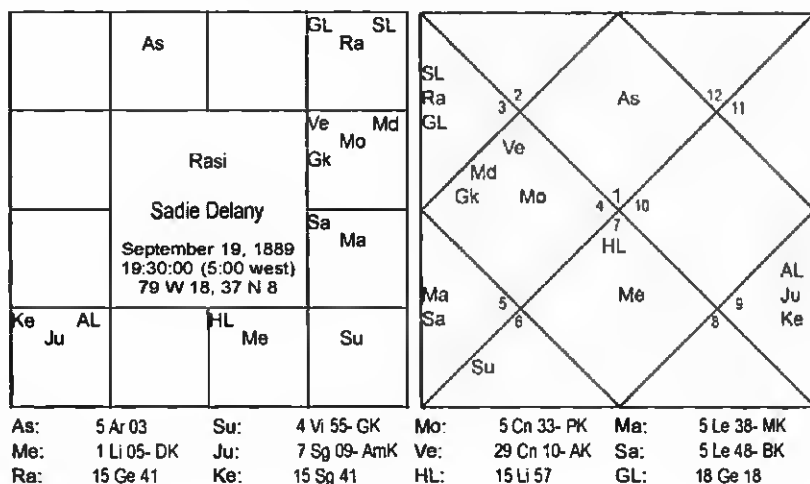

Noted for his eloquence, brilliance, and forceful, highly abrasive persona, Menon inspired widespread adulation and fervent detraction in both India and the West; to his supporters, he was an unapologetic champion of India in the face of Western imperialism, who famously "taught the white man his place"; to his Western detractors, "Nehru's evil genius". US President Dwight Eisenhower characterised him as "menace (...) governed by an ambition to prove himself the master international manipulator and politician of the age", while Indian President K.R. Narayanan eulogised him as a truly great man; decades after his death, Menon remains an enigmatic and controversial figure.

And this sizzling fact was exposed by Katherine Frank in her book 'The life of Indira Nehru Gandhi'. The book "Nehru dynasty" by K N Rao, clearly revealed that Sanjay Gandhi (Sanjiv Gandhi) was in reality the son of some Mohammad Yunus and not of Feroze Khan. Even, when the marriage of Sanjay took place with a Sikh girl 'Maneka', Mohammad Yunus became unhappy as he wanted to get his son married with a Muslim girl only.

	2	9	Any planet which aspects Ashwini nakshatra gives a lesson to master. It is asking for SELF IMPROVEMENT
	3	61	If Ashwini nakshatra is afflicted i.e. planet in Ashwini is aspected by malefics, conjunct malefics or nakshatra lord is afflicted, the native may get involved in a vehicle accident.
	4	62	Natives with key planets in Ashwini may get into a in a vehicle accident where minimum 3 people are involved.

Nakshatra	Technique No.	Nakshatra Study No.	Description
Bharani	1	14	The relative indicated by the planet in Bharani will be punished for even small mistakes, whereas others go scot free even for serious issues. One tragedy or ups and downs or cheating in the life of relative or house significations is guaranteed.
	2	16	This is based on lordship of houses. If the lord of a particular house is situated in Bharani nakshatra it would indicate relative indicated by house lordship will have ability to keep secrets or something secretive about him/her. Often the relative could have a secret or semi-secret addiction
	3	18	Body part associated with Bharani nakshatra is lower part of feet. Nakshatras can be our own soul punishing us if taken in a mild manner. Take any planet which is placed in Bharani nakshatra. The relative it represents can have problems with ankles or lower part of feet especially if afflicted. This has to be used creatively and not dogmatically.
	4	19	If Mercury or Rahu or Moon or Venus or Mars are in Bharani connected with sexual houses (7 th , 8 th or 12 th) then, affairs will be very sensual and at the same time burn out easily as they began. Unwise choices in relationships.
	5	20	Bharani means sudden. This is subtle but it will happen all of sudden. Expect any planet to give sudden results when placed in Bharani.
	6	21	If any key planet is in Bharani, then one woman who need not be a lover will change your life or effect you and that can have a profound effect on your life. She will come and change how you see the world. If you were innocent she will play the role of Hitler and wake you up or make you street smart but chances of her manner of teaching will be unorthodox and at times she will not be doing it consciously.
	7	22	Bharani and Transformation goes hand in hand due to Yama and justice of YAMA. Any planet in Bharani will give a major loss or reversal concerning either planet karakatwa or lordship

	3	13	"Storms" which usually in Hindi means "aandhi (strong winds)" is so closely related to the Gandhi family. Indira Gandhi had her Ketu in this nakshatra and in the chart of Rahul Gandhi Mars is in Ardra nakshatra. Indians might be aware of the political slogan that was used in their election campaigns.
			Sticking to the concept of "Storm", I got curious and checked out some of the high-profile whistle blowers. Interestingly, Daniel Ellsberg, W. Mark Felt & Julian Assange had Jupiter, Venus & Sun respectively in Ardra Nakshatra and it was related to the 10th house or 10th lord or was having an aspect the 6th house (any planet in ardra nakshatra will aspect Aquarius).

	4	59	If the natives with key planets in Punarvasu care for someone, they will become the mother/father figure for that person.

	2	39	Pushya Nakshatra and Narayana Kavach - it is said that those who have focal planets or significant planets in Pushya Nakshatra, the best remedy is recitation of Narayana Kavach.
	3	40	People with focal planets or lagna nakshatra (another focal point) in Pushya can play lot of games/politics/manipulators with others for their gains or be victims of it.
	4	37	Pushya Nakshatra - Lord is Brihaspati. As he came to accept (Taras) half child from Moon, which was Buddha (Mercury), same way one will find themes of foster parenting or being foster parented.
Ashlesha	1	1	Any planet in Ashlesha will give result between the age of 18 and 20.
	2	41	Ashlesha nakshatra is governed by Nagas, at the same time it comes at the end of Cancer making it a <i>gandanta</i> . All the energy of Cancer gets accumulated in its negative form at the end. <i>Gandanta</i> means transformation and spiritual growth. Some call it Cancer. Ashlesha has divine wisdom but the poisonous part (venomous quality of a snake - naga), hence the biggest lesson for Ashlesha people or a native having a planet or lagna nakshatra in Ashlesha is NEVER EVER BITCH or GOSSIP or speak ill of anyone.
